

## **2021 ISI Spring Classic Covid-19 Precautions**

Upon entering the rink area (RDV Sportsplex Ice Den) there will be a large sign asking if the person entering has had any of the symptoms of Covid-19 or exposure to anyone that has. By entering the rink area, that person will be confirming that they have not.

All skaters, parents, volunteers and coaches must wear masks- skaters may remove their mask for warm up and for their event.

Each competitor will be given two chaperone/spectator wristbands at registration. These wristbands must be worn by any spectators that are attending the event. They are exchangeable, meaning a skater may gift their wristbands to someone else if they do not need them.

If a skater does not have an event within the hour, they and their chaperones are asked to exit the rink area and asked not to return to the rink more than 45 minutes ahead of their next event.

There will be 9 locker rooms available throughout the weekend:

One will be Male Dressing Room and three will be Female Dressing Rooms. These rooms are for changing costumes only. No cell phones or skates will be allowed in them. The doors will remain closed. We ask all skaters using those rooms to move in and out quickly.

There will also be five "open rooms" for skaters to put on skates if they would like. The doors to those rooms will remain open at all times.

There will be a separate ice entrance and exit. There will be brown lunch bags available near the ice entrance that the skater may use to put their masks in and hand to their coaches to hold. Skaters must replace their mask once they exit the ice.

Music will be accepted on CD's.

6-Foot social distancing is required between family units while spectating.

Judges will sit 6 feet apart while on the judge stand and will be required to wear a mask. Hand sanitizer and disinfecting wipes will be available on the stands.

All props used must be sized such that they can be handled by the skater(s) without parent or coach help.

Synchronized teams should plan to wear masks during their performances.
